Aims and Scope

Studies in Sports Science and Physical Education (ISSN 2959-5274) is a peer-reviewed academic journal dedicated to the dissemination of research findings that promote a greater understanding of the principles and practices of sports science and physical education. The journal publishes original research articles, reviews, and perspectives that focus on a wide range of topics related to sports science and physical education. The journal aims to provide a platform for scholars, researchers, students, and practitioners to publish their research findings and to disseminate their knowledge and expertise to a wider audience. It encourages interdisciplinary research and collaboration between scholars and researchers in different fields, including sports science, physical education, kinesiology, and sports medicine.

- The main subject areas include, without being limited to the following:
- Sports Medicine and Exercise Science
 - Sociological and Cultural Aspects of Sports
 - Biomechanics and Sports Performance
 - Nutrition and Ergogenic Aids in Sports
 - Physical Activity and Health Promotion
 - Physical Activity Epidemiology
 - Psychology of Sports and Physical Activity
 - Motor Development and Learning
 - Sport Pedagogy and Coaching
 - Physical Activity Technology and Innovation

Submissions

We are seeking submissions for the forthcoming issues. Authors should submit manuscripts written in professional English. Manuscripts with 3,000-10,000 words in length are preferred. All manuscripts should be prepared in OpenOffice, Microsoft Word, or RTF document file format. Focus issue manuscript should be submitted at: <https://www.pioneerpublisher.com/SSSPE>, or sent to: office@pioneerpublisher.com.

Editorial Process

- Stage 1:** The author submits a manuscript and will receive a paper ID.
- Stage 2:** Immediately after submission, the journal’s Managing Editor will perform an initial check to assess:
- (1) Overall suitability of the manuscript to the journal;
 - (2) Manuscript adherence to high quality research and ethical standards;
 - (3) Standards of rigor to qualify for further review.
- Stage 3:** Peer review and revision — all manuscripts are sent for peer review.
- Stage 4:** Acceptance for publication.
- Stage 5:** Payment of APC of 300 USD + VAT (where applicable). No additional charges apply.
- Stage 6:** Technical/copyediting, layout, and proofreading.
