# Call for Articles

## Aims and Scope

*Journal of Progress in Engineering and Physical Science* (ISSN 2709-4006) is an international, double-blind peer-reviewed scientific journal. The journal publishes original scientific articles, review articles, scientific critique, scientific interviews, book reviews, and chronicles. *Journal of Progress in Engineering and Physical Science* aims to introduce research progress of applied science and achievements of engineering development to the world community by demonstrating the significance of research investigations and demonstrations. Accepted manuscript to *Journal of Progress in Engineering and Physical Science* will be published bimonthly.

The main subject areas include, without being limited to the following:

- Marine Sciences
- Physics
- Mechanical Engineering
- Astronomy
- Biology
- Metallurgical Engineering
- Mathematics
- Geology
- Computer Science and Technology
- Chemistry

## Submissions

We are seeking submissions for the forthcoming issues. Authors should submit manuscripts written in professional English. Manuscripts with 3,000-10,000 words in length are preferred. All manuscripts should be prepared in OpenOffice, Microsoft Word, or RTF document file format. Focus issue manuscript should be submitted at: https://www.pioneerpublisher.com/jpeps, or sent to: office@pioneerpublisher.com.
